The Posluszny Trust Scholarship

Any Boise Little Theater working member who is a full-time student pursuing higher education (post high school graduation) in any field or endeavor may apply for the Posluszny Trust Scholarship.

Candidates must be working members of Boise Little Theater and have demonstrated efforts and support of the theater for at least two years.

Applications will be accepted by any board member or Joe Posluszny during the year with **a deadline of August 1.**

Applications should include:

- Current resume listing the work performed at BLT. Work is not limited to acting, as technical support and general labor are as valuable to the theater as stage time.
- Other related activities in school and for other venues will be considered along with academic achievements, but work at BLT is paramount.

Submit application materials by the August 1 deadline to:

Posluszny Trust Scholarship Fund
C/O Boise Little Theater
100 E. Fort St.
Boise, ID 83702-6321

BLT will send the money, in a check, directly to the school attended.
